

A Special Offer for Chicago Surface Line Fans and Chicago Buffs

Bundle CSL3: One copy each of Dispatches 6, 8 and 9 \$50.00 includes shipping

Chicago is a city of many neighborhoods, with residents self-identifying as being from, for example, Hyde Park or Albany Park or Beverly or Uptown. The neighborhoods are where things happened: education, entertainment, shopping—the everyday things of life. The neighborhoods in the 1940s and 1950s were like villages where “everybody knew your name.” The common denominator? The streetcars of the Chicago Surface Lines which, while serving the individual neighborhoods, also linked them to other neighborhoods, near and far.

CSL was the world's largest street railway. Dispatches 6, 8 and 9 explain in detail how the people of Chicago travelled between neighborhoods during the 1940s and 1950s. Each Dispatch is 100 pages including detailed narratives on the neighborhoods, many then/now photo comparisons in black & white and color showing the changes in some of the neighborhoods where the cars ran. Each also contains color maps showing the various routes.
